

Broan Elite Pro Outdoor EPD61

Shown with optional 16" extended flue cover and 3" wall extension.

1100 CFM Internal Blower tested to assure operation in corrosive environments.

STAINLESS

- 36" EPD6136SS
- 42" EPD6142SS
- 48" EPD6148SS
- 60" EPD6160SS

Optional 3" wall extension eliminates expensive custom wall bump-outs.

Optional flue covers in standard and extended depths.

Designed of brushed, corrosion-resistant stainless steel to ensure long life in outdoor patios or lanais, this hood will remain a beautiful addition to your outdoor kitchen for many years to come. The extra deep 27" design can be extended to 30" with the optional wall extension, allowing even greater cooktop coverage for better capture of smoke and cooking odors. All of these attributes are what makes the Pro Outdoor EPD61 the BEST-IN-CLASS for capture and performance.

- Professional outdoor design.
- Deep 27" depth to handle heat and size of outdoor grills (optional 3" wall extension).
- Optional flue covers designed for 8' to 11.5' ceilings.
- Brushed corrosion resistant stainless steel.
- Four widths: 36", 42", 48" and 60".
- Powerful 1100 CFM internal blower.
- Bright halogen lighting (bulbs not included); two in 36" and 42", three in 48" and 60".
- Three-speed rotary control designed to resist the effects of heat and moisture.
- Stainless steel baffle filters.
- Heat Sentry™ detects excessive heat and adjusts blower speed automatically.
- HVI certified performance.
